

Drag Pit Stall Rental Agreement

All drag pit stall rentals are for drag events only excluding the Rocky Mountain Nationals, All Bike Drags and any other drag event rentals for the 2009 season.

- Drag pit parking is available from Saturday gate opening through to the end of the Sunday event.
• At the end of each drag event all vehicles must be removed from Castrol Raceway. Vehicles may be left on site, if approved by Castrol Management and if parked in designated areas only.
• Renters will be responsible for cleaning up any major spills, putting all garbage in garbage cans and disposing of all oil products in the appropriate receptacles provided.
• If a renter is allowing someone else to use their stall, Castrol Raceway must be informed the week prior to the event.
• All renters in the Pro Pit area must display Pro Pit Parking pass in a prominent area (hanging from rear view mirror) on the vehicle being left in the pit area.
