

JULY 27

AUGUST 11

AUGUST 31

Be a part of Canada's ONLY Manufacturer Series events: Fun Ford, Mega Mopar Action, and the Super Chevy Show. Incredible show cars take center stage in the nation's largest single-make car show series. Each of the Manufacturers Series events are designed to offer a little something for everyone in a family oriented atmosphere for "Big Three" American automotive brands enthusiasts. While the Midway showcases performance aftermarket and restoration products from show sponsors and vendors, participants include bracket racers looking to earn payout on the Drag Strip, to restoration experts showing-off their finished masterpiece in the Car Show or searching for that hard-to-find part at the Swap Meet, to those looking for the perfect project car in the Car Corral.
